Our rustic picket fencing is made of wood, and supplied clear stained for the original rustic appearance.

The wooden picket fencing is freestanding allowing it to be used on hard as well as soft surfaces and can be pegged down or weighted if required.

The fencing has rounded tops to comply with Health and Safety and can readily and easily be removed in the event of an emergency while adding class and elegance to your event.

Perfect for festivals, marquee events, weddings, traffic control, food festivals, country fairs, air shows, game fairs, corporate events & VIP areas or simply to define the area for an outdoor cafe / dining area.
